| 7. | <i>Warning Signs</i> | oil on canvas, 100 x 150 cm, 2012, | \$4500 |

The subject matter for my third solo exhibition with Flinders Street Gallery comes from locations near my home on the south coast around the towns of Kiama and Jamberoo. I have always been intrigued by the surreal effect on nature when lit by artificial light. For me, it represents the fragile line between the artificial and natural world.
